

# Lab 6 Stacks

[Re-submit Assignment](#)

---

**Due** Apr 18 by 11:59pm      **Points** 10      **Submitting** a file upload

---

Follow the prompt on Frank's website for lab 6

<https://sites.google.com/site/sjsucmpe126/labs-and-homeworks/lab-6-stack> [\\_ \(https://sites.google.com/site/sjsucmpe126/labs-and-homeworks/lab-6-stack\)](https://sites.google.com/site/sjsucmpe126/labs-and-homeworks/lab-6-stack)

Make sure to test all 5 equations given in the instructions.

Output should look like this:

Infix Expression: a + b

Postfix Expression: a b +

Include all files used along with the console output either as a screenshot or as a comment at the bottom of main.
